DAVID R. STRAWBRIDGE
UNITED STATES MAGISTRATE JUDGE

¹We perceive that Defendants' requests for costs and fees has some merit. We decline, however, to direct that those costs or fees be paid by Plaintiffs in light of the fact that there has been nothing presented to indicate that the Respondents approached Plaintiffs with a request that they withdraw the motion prior to expending the costs associated with the preparation of the filing of their response. See E.D. Pa. Loc. R. Civ. P. 26.1(f)
